

CELLTRION CONNECT

PATIENT SUPPORT PROGRAM

Yuflyma[®]
adalimumab-aaty

Caring for You Every Step of the Way

Learn more about Celltrion CONNECT[®]
and YUFLYMA[®] (adalimumab-aaty).

Celltrion CONNECT® provides ongoing support to patients prescribed YUFLYMA

Celltrion CONNECT® Case Managers, with expertise in medical insurance, can:

1. Help you understand how your insurance pays for YUFLYMA

- a. **Celltrion CONNECT®** will contact your insurance company and explain to you how YUFLYMA is paid for and what you will pay each month

2. Partner with your doctor to resolve any issues with insurance approval

- a. This may include additional approval paperwork, as well as the claims and appeals process as needed

3. See if you qualify for financial assistance

- a. Eligible patients with private/commercial insurance may pay as little as \$0 per month through the **Celltrion CARES™ Co-pay Assistance Program***†
- b. Enrollment can be completed in minutes by providing information about the therapy, patient, and prescriber, as well as answering several questions

Visit www.CelltrionCares.com to enroll in the **Celltrion CARES™ Co-pay Assistance Program**

- c. Eligible patients who do not have insurance or whose insurance does not cover their medicine may be able to get their medication at no cost through **Celltrion CONNECT®**

Enroll today

* Other terms and conditions apply. Visit: www.CelltrionConnect.com for full eligibility criteria.

† The program is not valid for prescriptions that are eligible to be reimbursed, in whole or in part, by Medicaid (including Medicaid patients enrolled in a qualified health plan purchased through a health insurance exchange marketplace established by a state government or the federal government), Medicare (Part A or B), a Medicare Part D or Medicare Advantage plan (regardless of whether a specific prescription is covered), TRICARE, Veterans Affairs healthcare or the Civilian Health and Medical Program (CHAMPVA), Puerto Rico Government Health Insurance Plan ("Healthcare Reform" formerly known as "La Reforma de Salud"), a State prescription drug assistance program, or any other state or federal medical or pharmaceutical benefit program or pharmaceutical assistance program (collectively, "Government Programs").
