

Celltrion CONNECT® Patient Support Program (PSP) can help you understand health insurance coverage requirements, and enroll eligible patients in all services, including financial assistance programs, helping to secure appropriate access to YUFLYMA® (adalimumab-aaty) for eligible patients.

There are two ways to enroll your patients into Celltrion CONNECT®

Services include benefits verification, prior authorization assistance, co-pay assistance, and dedicated Nurse Connector™ support.

Visit the online portal via
[go.covermyeds.com/
CelltrionCONNECT](http://go.covermyeds.com/CelltrionCONNECT)
to complete and submit the
digital enrollment form

OR

Visit:
www.CelltrionConnect.com
to access the enrollment form
and fax to: 614-633-2259

Patient Financial Assistance

Celltrion CONNECT® Patient Assistance Program (PAP)

Patients who are uninsured, underinsured, or lack coverage may be eligible to receive YUFLYMA at no cost. Patient eligibility criteria, including household income limits, and program conditions apply. Celltrion CONNECT® can help evaluate patients' eligibility for assistance.

Celltrion CARES™ Co-pay Assistance Program

With the Celltrion CARES™ Co-pay Assistance Program, patients with private/commercial insurance may be eligible to receive co-pay savings for YUFLYMA.

Eligible patients with private/
commercial insurance may pay
as little as \$0 per month

Celltrion CARES™ helps to reimburse
patient's out of pocket expenses;
patient's income status does not
affect eligibility for the program*†‡

Enroll directly into the Celltrion
CARES™ Co-pay Assistance
Program: www.CelltrionCares.com

**For more information, call 1-877-812-6662 (1-877-81CONNC)
Monday–Friday, 8 AM–8 PM EST, or visit www.CelltrionConnect.com**

* Other terms and conditions apply. Visit: www.CelltrionConnect.com for full eligibility criteria.

† The program is not valid for prescriptions that are eligible to be reimbursed, in whole or in part, by Medicaid (including Medicaid patients enrolled in a qualified health plan purchased through a health insurance exchange marketplace established by a state government or the federal government), Medicare (Part A or B), a Medicare Part D or Medicare Advantage plan (regardless of whether a specific prescription is covered), TRICARE, Veterans Affairs healthcare or the Civilian Health and Medical Program (CHAMPVA), Puerto Rico Government Health Insurance Plan ("Healthcare Reform" formerly known as "La Reforma de Salud"), a State prescription drug assistance program, or any other state or federal medical or pharmaceutical benefit program or pharmaceutical assistance program (collectively, "Government Programs").

‡ Qualifying expenses may be adjusted if accumulator or maximizer programs are in effect to ensure that the program is for the sole benefit of the patient.

Nurse Injection Support

Support your patients can expect from a Nurse Connector™ includes:

- Injection training to help patients get started and become comfortable taking YUFLYMA® (adalimumab-aaty)
- YUFLYMA education on storage and handling, dosing schedule, and injection site rotation
- Ongoing support for as long as patients need to be confident in using YUFLYMA

Nurse Connectors are registered healthcare professionals; however, they will not offer medical advice. For specific questions related to care, they will refer patients to their healthcare provider.

Access and Reimbursement

Benefits Investigation Addresses:

- How YUFLYMA will be covered under your patient's health plan
- Additional coverage information to facilitate your patient's access to YUFLYMA

Celltrion CONNECT® Live Support:

- Prior authorization (PA) support to review and explain payer requirements
- Appeal assistance
- Claims assistance

CoverMyMeds® Support:

- Leading industry network of payers, pharmacies, and prescribers to help patients
- Utilizes technology to support electronic prior authorizations (ePA) and other support services
- Triages the YUFLYMA prescription to the dispensing pharmacy

**For more information, call 1-877-812-6662 (1-877-81CONNC)
Monday–Friday, 8 AM–8 PM EST, or visit www.CelltrionConnect.com**

**You are encouraged to report negative side effects of prescription drugs to the FDA.
Visit www.fda.gov/medwatch or call 1-800-FDA-1088.**
